

Hari Raya Holidays 2007
Bali Dive Trip
12th to 16th October 2007
Ex Denpasar

Has the idea of diving around Bali been lurking around in the back of your mind but the prices or logistics have been putting you off?

Well, Scuba Dynamics has just put together another all inclusive dive package that takes you to the best diving that Bali has to offer, with an opportunity to indulge in some of the shopping that Bali is well known for in the Kuta area.

Macro masses, WW!! Wreck, wall dives, the elusive Mola Mola or sunfish and very probably Manta Rays as well.

Book early on Air Asia's flight AK 900 to Denpasar on the 12th October and return on flight AK 905 on the 16th to take advantage of their early booking rates, and if you are lucky, their FREE flights from this October to March 2008.

Priced at RM1700.00 per diver on a twin/double share basis and RM1850.00, for a Single Supplement, package includes the following:

- Accommodation as selected
- All land transfers
- Choice of a light Western, Asian or Balinese daily breakfast
- Lunch & Dinner included on diving days
- Special Dinner Feast on last night
- Total of 9 guided day & 1 night dives **inclusive of equipment** with one (1) day trip to Nusa Penida for the Mola Mola's

Bookings are **NOW OPEN** and will only be confirmed with a RM500.00 deposit / person, so call, email or better still, pop by for more details on this great package.

Strictly limited to twelve (12) divers on a 1st – come – 1st served basis with a minimum of four required to run this trip.
