

Lembeh Straits / Manado Dive Trip
21st to 26th July 2007
Ex Manado

Lembeh Straits, located about two hours outside of Manado in Sulawesi, Indonesia, has long been known as **THE** "Macro Haven of the world" and consistently attracts divers of all certification & experience levels and especially underwater photographers that keep returning for more incredible dives at this destination.

Easily the top macro site in this region and certainly one of the best in the world, Scuba Dynamics is organising a dive trip to this awesome destination from the 21st to 26th July at an incredible price of RM 1600.00 Net per diver, ex Manado Airport.

Package includes:

- Return land transfers Manado / Resort / Manado
- Twin share accommodation in air conditioned (limited) or fan cooled rooms
- All meals at the resort
- A total of 13 guided dives inclusive of tanks & weights
- Unlimited self shore dives

Book early on Silk Air Flight MI 274 that departs from Singapore at 09.35 hrs and return on flight MI275 that departs Manado at 15.00 hrs, arriving in Singapore at 18.20 hrs.

Places are strictly limited to ten (10) divers on a "1st-come-1st served" basis and bookings will only be confirmed with a deposit of RM500.00 / diver and balance payable 30 days prior to trip.

Please call Henry at 03 2300 1489 or email h.batzer@gmail.com for further details and your bookings.
