

PHILIPPINES DIVE TRIP
31st August to 4th September 2007
Ex Manila

Puerto Galera or “Port of Galleons”, is located on the island of Mindoro, next to Luzon, where Manila is, and has long been known to many divers of all experience levels, underwater photographers & videographers as an extremely “hard to beat” destination for it’s immense variety of macro marine life, wrecks, walls and muck diving.

Sabang Beach, where we dive from, does not offer much shopping opportunities but a very good range of dining outlets at more than affordable prices and a bustling night life.

This package is priced at RM1470.00 Nett per diver and includes the following:

- Land transfers Manila / Batangas / Manila
- Sea transfers Batangas / Resort / Batangas
- 4 nights twin share accommodation in Superior Deluxe Rooms with daily breakfast
- 3 diving days of 3 guided boat dives per day with tanks & weights
- Lunch on every diving day

Bookings are now open and will only be confirmed with a RM500.00 trip deposit and balance payable by or on Wednesday, 1st August 2007.
